Parkinson Society of Canada

We are proud of our association with the Parkinson Society of Canada and through donation of all funds raised at our Trade Show over the past eight years, we have been able to contribute over \$210,000 to the fight against this disease. It is only with the continued support of our suppliers that we can continue this effort.

Criteria for Selection

To be accepted as an exhibitor, vendors must, as a minimum, satisfy two simple criteria. They must be accepted as approved GCGC suppliers for the 2007/2008 buying season and they must be offering a special 'SHOW ONLY' discount which is significant and is over and above the already excellent programs that have been agreed upon. This second criteria is essential to this show to guarantee that it is a **buying** show.

We do encourage vendors to complete this application NOW, while you wait for approved supplier status. Space limitations dictate that we must reserve the right to reject some applicants even though these minimum criteria have been met.

Every effort will be made to notify successful applicants by Friday, October 12, 2007

Silent Auction

A silent auction will be held during the trade show. Proceeds will go to Parkinson Society Canada. We encourage you to take part and to donate items for the auction. Please contact Mary Jane Mutolo at Reeves Florist and Nursery to indicate your intentions to donate.
